II. INFORMATION REGARDING PLAN TO INCREASE CAPITAL WITHOUT PRE-EMPTIVE RIGHTS (PMTHMETD)

Purpose and Objective of the PMTHMETD

a) Mandate

The Company intends to seek a mandate from independent shareholders to conduct PMTHMETD of up to 10% of the issued capital of the Company (“PMTHMETD”).

Although the PMTHMETD mandate would authorize the Company to issue up to 10% of the Company's issued shares, the Company will always consider the internal as well as external condition, and there is no certainty that the Company will issue any or all of the shares permitted to be issued by it under the PMTHMETD.

PMTHMETD shall be performed in compliance with the Indonesian Financial Services Authority (OJK) Regulation POJK No.14.

b) Flexibility To React To Opportunity

While the Company has no immediate plan to implement the PMETHD, the Company considers it important to obtain the requested PMTHMETD mandate in order to strengthen its ability to react to opportunities for (a) the introduction of strategic investors, (b) as consideration in the acquisition of asset, business or shares for the growth of the Company's business, (c) for satisfaction of LTIP (Long-term share based incentive programmes) awards to employees, (d) to strengthen its capital structure as needed.

c) The New Shares and the Price of the New Shares

In the implementation of PMTHMETD, the Company refers to the provisions as stipulated in the laws and regulations in the capital market, especially POJK No.14 and the exercise price of PMTHMETD will be determined later with reference to the provisions of Regulation No. I-A

In accordance with the POJK No. 14, PMTHMETD shall only be carried out by the Company upon obtaining approval from the independent shareholders in EGMS. The EGMS will be in compliance with POJK No. 15. PMTHMETD shall be completed within 1 year as of the date of EGMS approving the PMTHMETD. Further, the Company may only increase a maximum of 10% of the total issued and paid-up capital of the Company as at the date hereof.

The price of the New Shares issued in the PMTHMETD will be determined in accordance with Regulation No. I-A. The price of the Company's New Shares will be at least 90% of the average closing price of the Company's shares in 25 (twenty-five) consecutive Trading Dates in the regular market prior to the date of the request for listing of New Shares to the Indonesian Stock Exchange ie at then current market price in accordance with the regulations.

d) Capital and Shareholding Structure Before and After the Completion of the PMTHMETD

In connection with the PMTHMETD, the Company can issue up to a maximum of 1,172,657,520 new shares or representing 10% of the total issued and paid-up capital of the Company as at the date hereof. Such New Shares will be issued from the Company's unissued authorized capital with a nominal value of Rp200 per share or a nominal value of Rp40 per share, as the case may be.
